About Us

Jupiter Technologies was established in 2005 and specializes in the design, manufacture and upgrade of various process automation projects and solutions. A wide range of Machines like Flexible Packaging, Automobile, Molding Machines, Panel Manufacturing (LT/ Control Panels), Wire industry, hydraulic presses etc. are in company portfolio. Also deals in spare parts for various process industries. The company's success and expansion have made it one of the most successful manufacturers and a global leader in process automation & technology for the manufacturing industry.

Technical

Company has high skilled & Technical Competent Team of Engineers for project, design, manufacturing and after sales support.

- Control Panel Manufacturing
- PLC, Drives, SCADA, HMI, Servo, Simotion etc.
- Industrial IPC Configuration.
- SCADA Development
- Data Management Systems (Cloud/Server Based).
- Servo Application
- Smart Machine Integration through IOT (Industry 4.0)

Area of work

In last one decade, Company had successfully completed various automation, upgrade, and commissioning Project in India and Overseas. Few industries/sector we served:

- A. Packaging Industry.**
 - 1. BOPP Line.
 - 2. Coating Lines
 - 3. Slitter – Primary & Secondary.
 - 4. Metallizer And Holography.
 - 5. Micro slittier / Spooling
 - 6. Blown Film plant
 - 7. Thermoforming and Carton Forming machine etc.
- B. Molding Machine for PET.**
- C. Automobile – Metallizer for Automobile Head Lamps**
- D. Plant Security and Control– Anti Theft System, Security Vigilance, etc.**
- E. Wire Line Industries PTFE – Wire Line Upgradation.**
- F. Home Automation Products.**

CUSTOMERS:

- Polyplex (Thailand),
- Amcor Flexible (France)
- The Merchant Limited (Bangladesh).
- Bagla Group PT (Indonesia)
- Hindustan Adhesive Limited (India)
- Varun Beverages (India)
- SK Offset (India)
- Elecon Conductors (India)
- Meera Industries Ltd (India)
- Sumati Electronics Pvt Ltd.
- ITC Ltd Haridwar
- Orient Press Limited.
- Max Specialty Films Ltd.
- Vijaneha Hyderabad.
- Kanpur Plastic India.
- Basant Digital India.
- Heritage Industries.
- Meerut Packaging Industries.
- HAL Gujrat
- Tanya Enterprises.
- Sanso Polymer.
- Rivipac Industries Pvt Ltd.Nashik
- Keymen Kanpur.
- Vacmet India Limited. Mathura
- ITC Ltd Chennai
